Ogle Family Reunion

The registration process for the exciting 2005 Ogle Family Reunion to be held in Northumberland, England from July 10-16, 2005, has been a great success.

At this time we believe we have approximately 70 confirmed registrations! Just think—that's almost as many as we have registered for some of our Association conventions!

As you know, we announced that we wanted to conclude the registration process on January 10, 2005. Our dear friends at Kirkley and the fine people with High Gain allowed the process to continue through January 17 to make every attempt possible to allow all interested individuals to register.

Our main interest at this time is to make sure no registrations were lost out in "cyberspace!" We did encounter some last minute "glitches" both here and in Northumberland

REGISTRATION FOR OGLE FAMILY REUNION HAS BEEN COMPLETED!

that make it necessary for us to do everything to confirm the registrations that have been received. We also realize that some registrations were in progress when the January 17 deadline came.

We need your help to make certain that every registration is verified and that every registration that was in process at the end of the registration period is completed.

It is our deep desire that all of you who registered receive absolute confirmation that you are going to be a part of this historic pilgrimage. We also want to complete those registrations that were in process near the deadline.

To be absolutely certain that those who have registered are indeed registered, we are publishing the names or the name of the family group, plus the number in that group. **Please check the list on the other side of this special edition**

of OFO to see if you or your group are listed as being registered.

If your name or group is not on the list, you need to **RE-REGISTER USING THE HIGH GAIN KIRKLEY E-MAIL ADDRESS: hg.kirkley@northland.ac.uk** (please copy me with your registration) and contact me **IMMEDIATELY** so we can work out any of those "glitches" that still exist.

I can be reached by e-mail **jwelder27@hotmail.com**. **Always include your phone number and e-mail address in your messages to me.**

If you do not receive an immediate reply from me, please e-mail Harlan Ogle at **hogle@kih.net** and he will assist you.

Remember that on or about March 1st we will send registrants additional information concerning the Reunion.

It's time for you to plan your flight to Northumberland!
